Metallic and pearlescent colour samples are representations only. For your special colour requirements and accurate assessment please contact your nearest Jotun Powder Coatings' representative to obtain a sample panel.

This colour card is based upon RAL 841 GL. It should be considered as an indication only. In practice differences may be experienced between colours appearing on this colour card and actual powder coatings due to substrate and surface variations, coating thickness, curing oven conditions, gloss level, binder systems and pigments used during manufacturing. For your special colour requirements and accurate assessment please contact your nearest Jotun Powder Coatings' representative to obtain a sample panel.
